

## Oregon Swimming Official's Recertification Requirements

### **Electronic Timing:**

Work a minimum of 10 sessions over two years; at least 2 sessions must be in the position of ET.  
These sessions must be from at least three different meets.  
Successfully complete the USA Swimming timing judge recertification test.

### **Stroke and Turn:**

Work a minimum of 10 sessions over two years; at least 8 sessions must be at S&T or higher position.  
These sessions must be from at least three different meets.  
Successfully complete the USA Swimming stroke and turn judge recertification test.

### **Starter:**

Work a minimum of 10 sessions over two years.  
At least 2 of these sessions must be at stroke and turn; at least 8 sessions must be at starter or higher.  
These sessions must be from at least three different meets.  
Successfully complete the USA Swimming starter recertification test.

### **Referee:**

Work a minimum of 14 sessions over two years; 12 sessions must be in starter or higher capacity with at least 2 of these 12 sessions in a referee position, and at least 2 sessions must be at stroke and turn.  
These sessions must be from at least three different meets.  
Successfully complete all parts of the USA Swimming referee recertification test.

- 1) Sessions: OSI/USA Swimming, OMS/USMS, YMCA sanctioned meets as well as season ending high school (district or State) or college (conference or National) meets which have been approved for observation. High school or college dual meets may not be used to complete the session requirements.
- 2) Successful completion of an online test is a score of 80% or higher.
