## **FORMAT**

This meet is SCY, deck-seeded, prelim/final for 10-14-year-olds who meet the qualifying time standards. Friday night's events are timed finals. The top 12 fastest swimmers in each event prelim, by age group, advance to the final. Two alternates are named for each event final. Alternates who want the potential chance to swim in finals should be ready and wait near the Meet Referee for further instructions. Alternates who do not attend finals are not penalized. Finals are swum in event order and broken out by age group. A-finalists report to the Ready Room. Following each B final, A-finalists are led out to the blocks as a group and are announced before racing.

## **POSITIVE CHECK-IN**

All events are deck-seeded. Positive check-in is required for all swimmers in all events for timed finals (Friday) and prelims. Coaches may pick up check-in sheets at the Clerk of Course and must return them to the Clerk of Course or ET desk, 45 minutes before the start of the session. Swimmers not positively checked in by the required time will not be seeded and will not swim. If an athlete fails to compete in an individual prelims event for which they were positively checked in, the athlete will be removed from their next event, be it individual prelim, final or relay. The penalty may be avoided by providing a Declared False Start.

## **SCRATCHES**

Swimmers have 30 minutes to declare their intent to scratch from finals, with the Clerk of Course, after the prelim results are announced. Declaring intent to scratch gives swimmers until 30 minutes after their last event's results are announced to turn in a final decision. *If a finalist does not scratch from finals and misses their event, they are removed from their next prelim.* Swimmers who intend to swim in finals do not need to report to the Clerk of Course. Once the scratch window has closed for an event, the finalists are posted.

## **MEET LIMIT**

Approximately 220 swimmers per prelim session. Entries are on a first come, first entered basis.

## **ELIGIBILITY**

Swimmers must be currently registered with USA Swimming. No on-deck registrations are permitted. Only swimmers of invited teams are eligible.

All swimmers must be supervised by a USA Swimming certified coach at the meet. If they do not have one, they must report to the Clerk of Course or Meet Director prior to warm-ups to be assigned one.

Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing racing starts or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

The age-up date is the first day of the meet. Only 10-14-year-olds who meet the qualifying standards are eligible.

## **ENTRIES**

Please submit YARD times only for seeding. "NT" entries will not be accepted. If time is unknown, a best estimate is required.

Swimmers must be entered in the meet as individuals in order to participate on a relay. With the exception of individual bonus swims, clearly identified as such, entries must meet the qualifying times in the meet info.

Swimmers must have met the qualifying times in a USA Swimming sanctioned, approved or observed competition between September 1, 2021, and the entry deadline. Entries which do not meet these standards will be scratched without notification and entry fees will not be refunded.

All entries must be submitted electronically via email. Swimmers' ages and USA Swimming registration numbers must be included.
