

Hello Oregon Swimming families!

Congratulations and good luck this weekend at the 2024 Oregon Swimming 11-14 Championships! The Corvallis Aquatic Team welcomes you on behalf of Osborn Aquatic Center and the community of Corvallis. We hope to make your meet experience as pleasant as possible. To that end, please keep in mind the following tips and guidelines:

- **Parking:** Please be good citizens and **do NOT park in the bike lanes, school bus lanes, or other posted spots**. CPD has warned us that they are aware of the event and will be watching. Illegal parking will result in a citation and possible towing of the vehicle. **Please also observe the marked no parking signs in the parking lots on Friday.** We share our parking lot with the adjoining middle school and Boys and Girls Club, and we appreciate you helping us to be good neighbors. There is parking available in the neighborhoods surrounding the pool, and some larger business lots within a few blocks of the pool. *A parking map is included for your reference.*
- **Facility Hours:** The facility will open to the public at 2:30 pm on Thursday, and at 7:00 am on Friday, Saturday, and Sunday - *there will be no admittance to the balcony, locker rooms, hallway, or deck areas before the above mentioned times.* Spectators and swimmers who arrive before 7:00 should line up outside the facility's front doors (depending on available staffing, we may allow lining up in the lobby.) **Please note that to ensure that athletes find seating on deck, we will be using the following is the schedule on Friday-Sunday for access to the facility:**
 - 7:00 a.m. - athletes may enter locker rooms and pool deck
 - 7:00 a.m. - spectators may enter balcony
 - 7:30 a.m. - spectators may enter hallways and pool deck
- **Seating:** Please be prepared for the facility to be crowded! **There will be designated seating for athletes and coaches**, as well as bleachers upstairs and on deck specifically earmarked for spectator transitional seating. *A seating map of the deck and balcony areas is included for your reference.*
 - **Transitional seating** is designed for you to sit while you are watching your swimmer's heat, then to vacate and make room for others after your swimmer has completed his or her race. There will be volunteers monitoring the transitional seating sections. Please be courteous to them and your fellow spectators!
 - If the open seating on deck and in the balcony is full, overflow seating is available on one side of the hallways downstairs, on one side of the area at the top of the stairs, and during prelims in our Conference Room (end of the hallway on the right, past Hospitality.) There **may** be audio from the meet announcer in the Conference Room.
 - **Saving spots overnight will not be allowed** – chairs may be left on deck only and must be folded up against the wall so that the deck may be cleaned. All other chairs and personal items left overnight will be placed in lost and found.
 - All seating areas will be clearly marked and the seating signs will be enforced by facility staff and event volunteers.

- **Deck Entrance:** The east natatorium door - located down the hallways to the right of the lobby - will be the only deck entrance or exit for spectators. **Athletes only** may enter or leave the deck through the locker rooms.
- **Restrooms:** Locker room facilities are for the use of athletes only - spectators may not use the locker room restrooms or as a pass through entrance to the deck. Restrooms for spectators are available in the lobby near the locker room doors and will be marked as such. Family changing rooms are off limits for everyone and will be locked.
- **Live Stream:** There will be a live stream of the meet which will be posted on the home page of the CAT website - www.corvallisaquaticteam.org.
- **Vendors:** Blue Water Swim (swim vendor), Northwest Sports Photography (action photography), and Northwest Designs Ink (meet apparel) will all be on site. Thank you for supporting their businesses! Concessions by the Corvallis Aquatic Team will also be available throughout the meet.
- **Timing:** Teams have been pre-assigned to lanes for timing responsibilities during preliminaries (the assignments are listed on the last page of this document.) The sign-ups are at the table at the entrance to the competition area outside of the women's locker room.

Thank you! We are all looking forward to a great weekend of swimming.

Corvallis Aquatic Team and Osborn Aquatic Center

SEATING – POOL DECK AND BALCONY

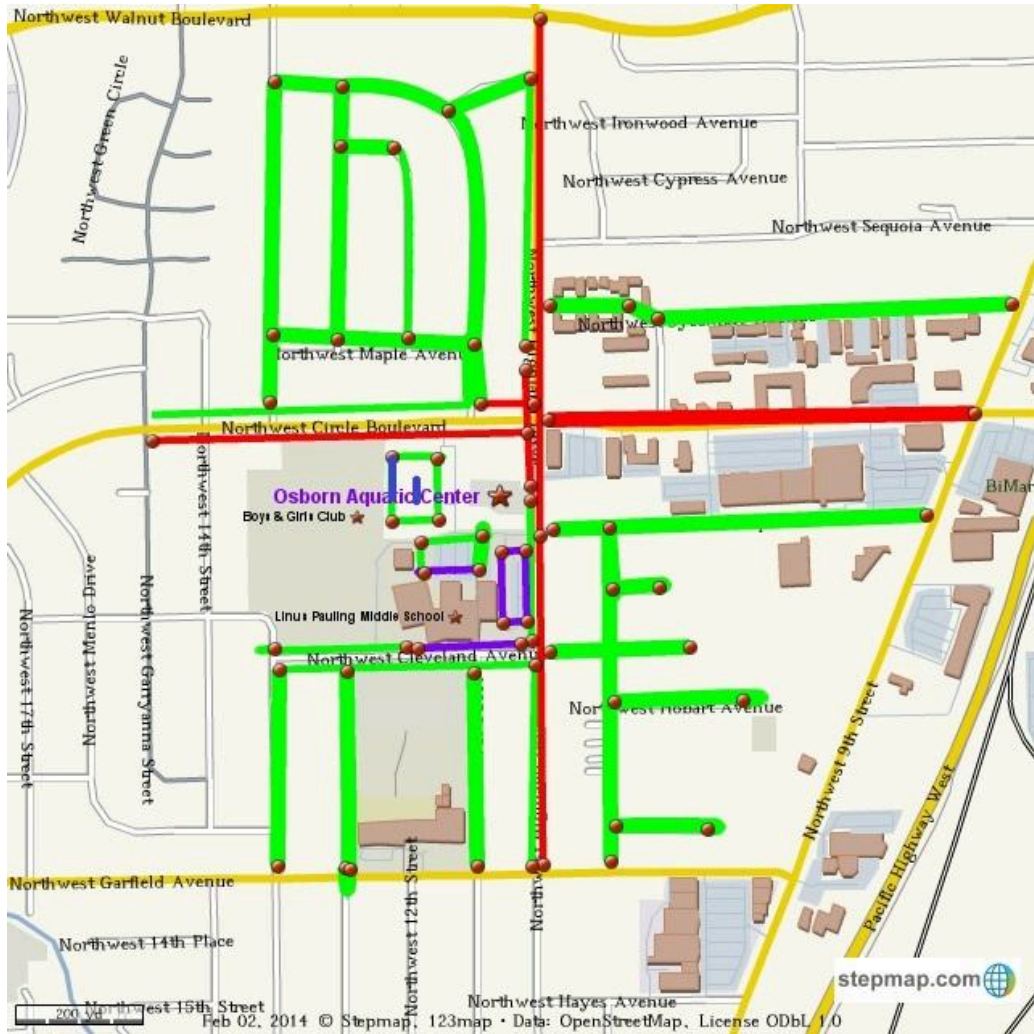

PARKING

Red: No Parking *~*

Purple: No Parking Friday, Saturday/Sunday OK *~*

Green: Parking OK all days
